

Dear all,

We're very excited to announce that this year we're celebrating the 11th edition of **Barcelona International Community Day** (BICD). It's the stand out annual event for the international talent ecosystem, and for welcoming foreign nationals who've chosen to come to Barcelona to live and work, providing them with information on services of interest.

Organised by **Barcelona City Council**, the event will take place on **Saturday 28 September 2024** at the **Barcelona Maritime Museum**, open to the public from 10 am to 7 pm. The company **Both People & Comms** will be in charge of the technical aspect of the event.

In 2023 the event was attended by more than 5,072 people from 123 countries, and overall, the feedback was extremely positive. (Follow this [link](#) to see the report and watch the video of Barcelona International Community Day 2023).

We'd also like to let you know that we've **opened the registration period** for anyone wishing to take part in the Barcelona International Community Day fair as an exhibitor. This year there will be around 77 stands divided between companies and organisations (both public and private) offering products and services aimed at the international community, as well as education centres and associations.

As we want to make sure that a **diverse range** of products and services are represented, for guidance purposes we've established a maximum number of exhibitors in each sector or category of activity:
