

# COGNITIVELY ACCESSIBLE GUIDE

# General information

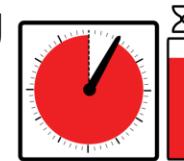

In this guide you will find information about the Three Kings Parade in Barcelona.

The material contained in the guide is created in advance to facilitate participation in this activity. We recommend that before attending you review the guide to prepare your outing.

Keep in mind that this is a cultural activity of community leisure with a large number of people. There will be ambient noise typical of the influx of the general public, music and characters of the parade speaking through microphones.

# Recommendations to keep in mind

- It is a very busy activity with traffic and many people travelling by public transport. Plan your journey well and calculate the displacement.
- There is music, show and ambient noise influx of public, bring your noise canceling headphones to if you need them.
- The space is the streets of Barcelona, bring ID indicating a contact person and telephone number in case of any child or young people become disoriented.

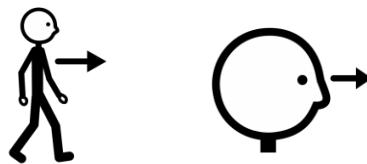

## Practical information

On the route there are 5 areas reserved for people with disabilities that you will find marked on the map of the itinerary with this pictogram 

The reserved areas can be accessed by showing the card accrediting the disability  to the person controlling access to each area.

One or two people can access accompanying the person with a disability.

**It is important to bear in mind that the capacity of these areas is limited.**
